Sir:

Upon reviewing the above-identified patent, Patentee noted that a foreign patent document was omitted under References Cited. Patentee filed an Information Disclosure Statement on May 1, 2001, submitting several references. All but one of the references, EP 0850769, were acknowledged by the Examiner. Patentee believes this oversight by the Examiner was inadvertent and that this reference should indeed appear on the face of the patent.

The error was not in the application as filed by applicant; accordingly no fee is required. However, if the Office should disagree with the patentee, the Commissioner is authorized to charge any necessary fee to deposit Account No. 03-1952, ref. 325772021800.
